Policy Manual Maintenance Plan

You have your AllRegs Policy Manual customized and implemented within your company. Now ensure your manual is always current and up to date with the AllRegs Policy Manual Maintenance Plan. You’ll receive one guaranteed update during the year and additional updates as federal regulations or best practices change and affect your plan. Subscribe now for each manual in your library.

How it Works

When you subscribe to the AllRegs Policy Manual Maintenance Plan, we will deliver a guaranteed minimum of one annual update. If federal regulations or best practices affecting the manual change throughout the year, updates will be provided accordingly.

When updates are made, AllRegs will deliver to you two editable MS Word documents, one with the changes implemented and one with the changes highlighted using the Track Changes feature. You can easily determine if the changes affect your company and implement our suggestions as necessary.
